

Department of English Report of Dissertation Prospectus

The student must successfully complete the doctoral written or oral examination and the results must be posted with Graduate College before the submission of the dissertation proposal/prospectus results. If the Graduate Supervisory Committee, as listed below, is different than the committee listed on the approved ipos, the student should submit a Committee Change Request to officially change the committee.

1. The student completes Part I.
2. The dissertation committee chair should write in the date (MM/DD/YY) of the proposal/prospectus defense; then the dissertation committee completes Part II by signing the form and indicating their votes of Pass or Fail.
3. The student returns this form to the Graduate Program Manager in RBH 125 or email to sheila.luna@asu.edu
4. The head of the academic unit will then complete Part III by signing the form, confirming the majority vote of the committee, and signifying that the proper procedures have been followed for the proposal/prospectus defense.
5. *Official Submission:* The Program Manager will enter the results in PeopleSoft for candidacy processing. Candidacy letter will be available on student's MyASU.
