

## Applied Project Evaluation Form

The student is to fill out the top portion of this form and submit it to the chair of the supervisory committee along with the final project. The chair will consult with the other committee member(s) for their evaluations and signatures, write evaluative comments, and email the fully completed form to the student's academic advisor, CCing the student.

For evaluation criteria, students and committee members should consult the pertinent degree program handbook:

### Supervisory Committee Evaluation:

Each committee member will vote "pass" or "fail" for the defense based solely on whether the prospectus and the student's answers during the defense indicate that the student is prepared to begin intensive research on the proposed topic. Majority vote will determine whether the student passes or fails. A tie vote will result in a failed defense.
