# The Magic Island

By Arya Dev

Once upon a time, there was a faraway island where the clothes were made of silk and buildings made from gold. The sky was always blue and the sun was always out. The King of the island was named Arya and he had the biggest palace in the world! Everyone on the island loved King Arya because he was so kind.

But one day, King Arya became very ill. He had been worrying too much about having to fight with another king and starting a war. The other king wanted to take over his palace and island. King Arya was very sad.

Every day the King was feeling more terrible and coughing a lot in his bed. The King's doctors and servants were all around him wondering how to help. Then a letter came with a bird and the King's doctor rolled it open showing King Arya. The King smiled and soon got better. Everyone in the kingdom was very happy and cheered for the King!

The doctor was wondering what the letter said so one day he went to the King and asked him. King Arya smiled again and whispered, "Peace begins with a smile".

### Chapter 1 Disaster Rain

Once there were two dragons who kept the Earth in balance. Their names were Peace and Disaster. Disaster didn't care when it was his turn, so Peace had to stop every disaster. It was exhausting.

But one day, Peace fell asleep on the job and Disaster rained down on Earth. Everyone ran to a space pod to go to Mars. When they got there, they saw Earth crumble down into tiny pieces.

So they lived on Mars for the rest of their lives. Peace was mad at Disaster. Disaster tried to explain that he was wrong, but Peace just laughed. So Disaster went to the Gods and explained the whole story.

In a far away land, there live a queen name QB Queen and her daughter name Princess Beautiful Super Hero CPBSH. They live in a big pink castle which is called The Big Pink Hero CTBPH. One day QB Queen was cooking for lunch, she heard a big noise. She headed outside and saw a rocket in front of the big wooden door. Tippy Tinkeltrowsers (TT) walked out of the space rocket, and take QB Queen's hand and drag her into the space rocket and zoom them into space. That time PBSH was busy playing with Tony Stark, so she didn't hear QB Queen shouting, so as Tony Stark. # ★HOW I FELT FOR★

KYLIE JIMENEZ

★Writing camp★

★Written by Kylie Jimenez★

When I woke up for my first day of camp I was scared that no one would like me, but I was wrong. I made lots of friends I was really happy about that. I was very nervous and excited for my first day. I knew that I was going to learn alot and I did! When I got there they gave us a notebook and a pencil.

My first day there we made name tags after that we played an activity called saving sam. In the activity saving sam we had a cup which was sam's boat and we had sam which was a gummy worm. He forgot to put on his life jacket so we had to do teamwork. Without teamwork I wouldn't be able to do it.

On my first day also I made a book called the Lemonade stand is a fair. I read my book when it was Authors chair. They really liked it so I made a to be continued. My life was complete when Dusti Bowling came to camp! She taught us how to be a good writer and reader.

# The Bunny Kingdom

## By Eva Klug

Once there was a bunny kingdom. It was called Bunny Village Avenue. It was filled with happiness and kindness. Everyday they would do fun activities, like racing, reading books, and other things like that and they were never once mean to others.

But one day, Mean Bunisher and his gang stole everything the bunnies loved. They stole their bunny rides, carrots, and even their bunny wisdom.

But one little bunny dared to stand against the Mean Bunisher and his gang. His name was Little Wonder Bunny. Little Wonder Bunny challenged the Mean Bunisher and his gang for a race to the end of the world and back. Mean Bunisher and his gang laughed, "Ha! Ha! Ha!" Mean Bunisher said, "Easy!! How can you think I'd lose this challenge!" Little Wonder Bunny felt shy and wondered what to do.

A bunny named Winkle just said, "Oh, don't worry! They're not sure if they will win. They are trying to get you to stop your plan so they can win. But, you're not stopping, are you?"

"NO!!!" said Little Wonder Bunny.

"We know your plan and we are not stopping!!" said Winkle to Mean Bunisher.

"We'll see about that!!" Said Mean Bunisher.

The bunnies practiced every single day. The competition meet up was very soon. Nights VS Sunny Sides. Sunny Sides won, but instead of everybody getting gold, Little Wonder Bunny got a big trophy.

"Yay!!!" said Sunny Sides.

"No!!!" said Mean Bunisher. Bunisher was ANGRY, VERY, VERY ANGRY.  
"NO!!!!!!!!!!!!!!!!!!!!!"

And they all lived happily every after, well, not Mean Bunisher anyways.

Choose a Color

If I were brown I'd be a very tired day

If I were orange I'd be a bright hot day

If yellow a busy day

If pink I'd be a happy excited day

If I were blue I'd be a sad bad day

If purple an original normal day

If I were silver I'm sure I'd be a lovely lonely  
day

If I were green I'd be a relaxing good day

If teal I'd help the world up
